## International PlayTrack Conference 2020: Call for poster abstracts

Submit your poster abstracts for the PlayTrack Conference 2020: "Learning, breaking, making: analysing processes of play". Students may apply for scholarships for travel and accommodation.

### The PLAYTrack Conference 2020

May 11-13th 2020, the Interacting Minds Centre (IMC) at Aarhus University, Denmark, is organising the second international PLAYTrack Conference on the theme "Learning, breaking, making: analysing processes of play." The conference invites scholars to explore and analyse the dual nature of playful processes on individual and societal levels and discuss the implications this may have for research, education and innovation.

To find more information and a programme for the conference, please follow this link to the [event page](#).

To register for the conference, please go to the [event page](#).

### Call for poster abstracts

We invite submissions of abstracts for posters. Posters can represent conducted or planned research fitting the conference topic. The deadline for the poster application is the 1st of February 2020.

For students wishing to present a poster, it is possible to apply for a Student Scholarship, covering travel, accommodation and dinner fees of the winners (only students (including PhD) may apply).

The Student Scholarship will cover up to 500€ for students within the EU and up to 750€ for students applying from outside of the EU.

To submit your poster abstract, please follow [this link](#). Please indicate at the end of the form, if you wish to apply for a student scholarship.
