

Open Your Data

Let's unpack the black box of qualitative analysis!

Meeting outline

- 13:00-13:10 **Welcome and short intro to OYD Host**
- Who is here today?
- 13:10-13:35 **Here is my data project Data owner**
- 20 min. Data owner presents their data problem (incl. brief intro to project and contextualization) and shares their data in an accessible format.
 - 5 min. Group asks clarifying questions.
- 13:35-14:15 **Round 1: Reflection... Everybody**
- 7 min. Individual reflection (no talking)
 - 25 min. Shared reflection around the table. We unpack the data problem from each our own methodological perspective (data owner is silent!).
 - 5 min: Data owner asks new questions based on the reflections.
- 14:15-15:00 **Round 2: Discussion Everybody**
- 7 min. Individual reflection (no talking)
 - 25 min. Shared reflection around the table. Everybody provides feedback for the data owner (data owner is silent!).
 - 5 min. Data owner concludes and asks new questions based on the discussion.

OYD

@ the IMC

#OpenYourData

OYD is an opportunity to get interdisciplinary perspectives on your data and to learn how your colleagues understand your approach and your analysis. We welcome curious comments, qualifying questions, and divergent discussion!
