

## MARJOLEINE SLOOS

*marj.sloos@gmail.com • marjoleinesloos.yolasite.com*

### EMPLOYMENT & RESEARCH EXPERIENCE

---

January 2014 -December 2015	<b>Postdoctoral Fellow</b> , Aarhus University, Denmark. Project: “Paving the Way for a More Reliable Linguistics”.
October 2013 -December 2013	<b>Assistant Professor</b> , Tongji University, Shanghai, China.
March 2013 -October 2013	<b>Postdoctoral Researcher</b> , University of Groningen, The Netherlands.
April-May 2012	<b>Visiting PhD student</b> , Shanghai International Studies University, Shanghai PRC. “Dutch loanwords in Indonesian: A grammar-frequency interaction”.
September 2011 -February 2013	<b>PhD position</b> , University of Groningen, The Netherlands. Thesis: “Phonological Grammar and Frequency Effects: An Integrated Approach”, graduated 28 February 2013.
October 2009 -September 2011	<b>PhD research</b> , University of Freiburg, Germany.
January 2008 -July 2008	<b>Research Internship</b> , Meertens Instituut, KNAW (Royal Dutch Academy of Sciences), Amsterdam, The Netherlands. “The relationship between phonological and geographical distance. Umlaut on the diminutive in Dutch dialects”.
September 1990 -July 2009	Music teacher and -therapist, Music schools of Leiden, Alphen aan den Rijn, and self-employed in Leiden, The Netherlands.

---

## EDUCATION

---

- September 2007  
-June 2009      **Research M.A. Linguistics** “Structure and variation of the languages of the world”, Leiden University, The Netherlands. *With Distinction*.  
Thesis: “Frequency effects are sensitive to phonological grammar.”
- September 2004  
-June 2007      **B.A. Linguistics**, Leiden University, The Netherlands. *With Distinction*.  
Thesis: “Variation in Optimality Theory. Analysis of the bi-allomorphy of the Dutch diminutive suffix.”
- September 1990  
-April 1996      **Early Music**, Academy of Music Utrecht and Rotterdam, the Netherlands.

---

## GRANTS

---

### Research Grants

Seed Grant Interacting Minds Center  
Funding organization: Interacting Minds Center, Aarhus University  
Project Title: Can Music Influence Subphonemic Perception?  
Date: 7 August 2014  
Grant amount: DKK 19,860  
Duration: August-December 2014

### Mobilex Mobility Grant

Funding organization: Danish Council for Independent Research, co-financed by the EU Program "Marie-Curie" under FP7.  
Project Title: Paving the Way for a More Reliable Linguistics  
Date: 30 September 2013  
Grant amount: DKK 2,380,042  
Duration: January 2014-December 2015

### PhD grant

Funding organization: Deutsche Forschungsgemeinschaft  
Project Title: The interaction between frequency and grammar in language change  
Date: 10 July 2009  
Duration: October 2009-September 2010

### Study Grants

LOT summerschool  
Funding organization: Netherlands National Graduate School of Linguistics  
Funded activity: Participation Summerschool Leuven  
Reimbursement: Tuition fee and accommodation  
Date: April 2011  
Duration: 20-24 June 2011

### Conference organization

“Chinese and Germanic Languages: Second Language Acquisition and Perception”  
Funding organization: Aarhus University/International Centre

Funded activity: Workshop and research stay at the Nordic Centre/Fudan University, Shanghai (including travel and accommodation costs)

Joint application with Liang Jie (Tongji University) and Jeroen van de Weijer (Shanghai International Studies University)

Grant amount: DKK 31,450

Duration: October 2014

Workshop Open Access

Funding organization: Netherlands Organisation for Scientific Research (NWO)

Funded activity: Annual Linguistic conference 33rd TabuDag, Groningen University

Joint application with James Griffith, Marieke Haan & Jet Vonk

Award: EUR 2,000

Duration: 18-19 June 2012

---

### TEACHING EXPERIENCE

---

- Spring 2014    *Phonetics and Phonology, B.A.1. Lecturer.* Aarhus University, Denmark.
- Fall 2013     *Thesis Workgroup. Lecturer, Postgraduate.* Tongji University, Shanghai, China .
- Fall 2013     *Psycholinguistics. Lecturer, M.A.* Tongji University, Shanghai, China (with Jie Liang).
- Fall 2013     *Introduction in Linguistics. B.A. Lecturer,* Tongji University, Shanghai, China (with Jie Liang).
- Fall 2013     *English Grammar. B.A. Lecturer,* Tongji University, Shanghai, China (with Jie Liang).
- Fall 2011     *Phonology, B.A.2. Lecturer,* Leiden University, The Netherlands.
- Fall 2011     *Phonology, B.A.1. Tutor,* Leiden University, The Netherlands.

---

### GUEST LECTURES

---

- 2013            *Phonetics Post-Graduate.* Tongji University, Shanghai, China.
- 2012-2013Res *Digital sound, B.A.3.* Four lectures, Groningen University, The Netherlands.
- 2011-2012     *Phonology and Phonetics, B.A.2.* Two lectures, Groningen University, The Netherlands.
- 2012            *Phonology Post-Graduate.* East China Normal University, Shanghai.
- 2012            *Phonology, Post-Graduate.* Shanghai International Studies University.

---

**SUPERVISION**

---

- 2014 Two **ResMA student assistants**: experimental design and data processing, Aarhus University.
- 2013 **PhD thesis** co-supervision, Yang Xinlu. Tongji University: "Urumqi Tone in Discourse".
- 2013 **PhD thesis** co-supervision, Qiuchun An. Tongji University. "Hakka Vowels".
- 2013 **ResMA thesis** co-supervision, Alain Corbeau. Leiden University. "*Phonological root structure constraints in Proto-Indo-European*". Completed September 2013.
- 2013 **MA thesis** co-supervision, Huanhuan Zhang. Tongji University. "How do Chinese Uyghur Students Distinguish Interrogative Statement in Mandarin?"
- 2013 **MA thesis** co-supervision, Lei Wang Tongji University. "An Experimental Study of the Luoyang dialect".
- 2012 **Internship** supervisor. *IPA App*. Groningen University, The Netherlands.
- 2011-2012 **Internship** supervisor (two students) *Workshop "Music and Language"*, M.A. Groningen University, The Netherlands.
- 2010-2012 *Transcriptions*. **11 Student assistants**. Universities of Freiburg, Leiden, Groningen.

---

**ADMINISTRATIVE EXPERIENCE**

---

- 2014 **Workshop** "Chinese and Germanic Languages: Second Language Acquisition and Perception" at Nordic Centre, Fudan University, Shanghai.
- 2014 **Conference "Bias in Auditory Perception"**. Interacting Minds Centre, Aarhus University.
- 2012-2014 **IPApp**. *Innovation and team-coordination of the development of an App for learning phonetics*.
- 2011- **Phonology-Phonetic Research Group**. Center for Language and Cognition, University of Groningen. *Coordination of monthly meetings and talks*.
- 2012 **TABUdag Annual International Conference on Linguistics**, University of Groningen. *Contact person, coordination of abstract submission and reviewing, scheduling*.
- 2008 **Workshop on Umlaut**, Amsterdam, Meertens Institute (with Ben Hermans). *Scheduling, abstract booklet*.

---

**PRESENTATIONS (selection)**

---

- 2014, 11-15 August "Beware: Coder Bias!". Brisbane, Applied International Linguistics Association.
- 2013, 22-23 May. Manchester, "Acquiring markedness constraints: The case of French". Manchester Phonology Meeting 21, (with Jeroen van de Weijer). (Poster presentation).
- 2013, 3-5 May. "Grammar interacts with Frequency: Dutch loanwords in Indonesian". Taipei, Taiwan. The 4th International Theoretical Phonology Conference. (Poster presentation).
- 2012, July 27-29. "Halo. Don't always trust the native speaker!" Stuttgart, LabPhon 13. (Poster presentation).
- 2012, April 20-22. "Grammar and Frequency Effects in the (Non)-Integration of Dutch Loanwords in Indonesian". Shanghai, 2<sup>nd</sup> International Phonetics and Phonology Conference. (Talk).
- 2011, September 28-30. "Chasing shadows". Madrid, Experimental Psycholinguistics Conference (ERP). (Talk).
- 2011, May 19-21. "Frequency interacts with word category". Manchester, Manchester Phonology Meeting 19. (Poster presentation).
- 2010, June 19. "Pretonic schwa reduction: A test case for frequency effects and phonological grammar". Konstanz, Linguistisches Kolloquium. (invited talk).
- 2010, May 20-22. "Frequency effects interact with grammar". Manchester, Manchester Phonology Meeting 18. (Talk).

---

**PROFESSIONAL TRAINING**

---

- 2014 *Toastmasters: Communication Track & Leadership Track* (Aarhus, Denmark).
- 2012-2013 *Academic Writing Skills*. (Salford University, Manchester, UK).
- 2012 *Didactic Skills* (University of Groningen).
- 2010 *Negotiating* (Netherlands Organisation for Scientific Research).
- 2010 *Media training* (Netherlands Organisation for Scientific Research).
- 2010 *Statistics* (University of Freiburg, with Harald Baayen).

---

### PROFESSIONAL MEMBERSHIPS

---

2014-	Anéla, Dutch Association of Applied Linguistics, member.
2014-	AILA, <i>Association Internationale de Linguistique Appliquée</i> , member.
2012-2013	<i>The Linguistic Society of America</i> , member.
2012-2013	<i>LabPhon</i> , member.
2011-2013	<i>LOT: Netherlands Graduate School of Linguistics</i> , member.
2009-current	<i>Linguistics in the Netherlands</i> , member.

---

### PUBLICATIONS

---

#### To appear

Sloos, Marjoleine. Misperception as a result of accent-induced coder bias. *Review of Cognitive Linguistics*.

#### In Press

Weijer, Jeroen van de, Marjoleine Sloos. The four tones of Mandarin Chinese: Representation and acquisition. *Linguistics in the Netherlands* 31. 180-191.
