

Open your data!

- *Let's unpack the black box of qualitative analysis!*

Collaborative qualitative data sessions @ the IMC, 1483-312
Second Thursday of the month. Time: 13-15.

Meeting outline:

13:00 - 13:05 Welcome (& very short intro to OYD) | Mette or Ella

13:05 - 13:40 *'Here's my data problem'* | Data owner of the day

- Data owner presents their data problem (short contextualization and presentation of analytical strategy). **10 mins**
- Data owner presents their data in an accessible format. **15 mins**
- Group asks clarifying questions. **10 mins**

13:40 - 14:20 *Reflection: See, think, wonder...* | collectively

- Individual reflection. **10 mins**.
- Group reflection: Group unpacks the data problem from their individual methodological perspectives. **30 mins**
You can (but are not obliged to) provide feedback using phrases like: 'In the data, I see.... This makes me think..... And it makes me wonder.....'
The data owner is not allowed to respond.

14:20 - 15:00 *Discussion: Considerations and suggestions* | collectively

- Individual reflection. **10 mins**
- Group discussion: Around the table. Everybody provides feedback for the data owner. **30 mins**
You can (but you don't have to) use the phrases: 'If I was you, I would consider...' or 'In the data, is remarkable to me'.
The data owner is allowed to respond at the end.

OYD is an opportunity to get interdisciplinary perspectives on your data and to learn how your colleagues understand your approach and your analysis.

We welcome curious comments, qualifying questions, and divergent discussion!
